WHY A SNOW RUN?

There are many worthwhile events & organizations raising money in the name of cancer research; The Kelly Shires Foundation is different. Formed out of a passion for snowmobiling and an equal passion for helping breast cancer patients, the Foundation distributes funds directly to those battling breast cancer across Canada. Through personal experience, Kelly realized that dealing with the physical, emotional and financial aspects of this disease can be very tough. The charity actively helps patients year-round however, the primary fund raising event is a "women only snowmobile event" held annually in early February.

WOMEN HELPING WOMEN

At the age of 34, Kelly Shires' life was changed forever (Christmas 1997). Kelly and her husband Ken were running a successful dry land marine facility and expecting their first child when Kelly discovered a lump in her breast. It was a difficult and emotional time of their life; within a week, Kelly had four surgeries, terminated the pregnancy and began six months of chemotherapy. Due to the financial strain of battling the illness, they gave up their business and moved to the Georgian Bay area to begin a quieter lifestyle and concentrate on Kelly's recovery. Through her own personal struggles, Kelly realized that she wanted to help others who had Breast Cancer. Together with her friend, Suzy Stenoff, this tragedy was turned into something positive creating the Kelly Shires Breast Cancer Snow Run. On October 31, 2004 Kelly lost her battle with breast Cancer, but her spirit and determination live on thanks in part to a dedicated group of volunteers. Please join us in our journey to keep Kelly's dream alive.

HOW IS MONEY DISTRIBUTED?

Patients submit a completed application, along with medical and financial information. Once an application for assistance is received, a committee reviews the application and determines if the applicant meets the Foundation's requirements. All applications are handled in the strictest of confidence. Funds are disbursed as soon as the application is approved, Typically within 7 - 14 days.

TOGETHER WE DO MAKE A DIFFERENCE!

KELLY SHIRES BREAST CANCER SNOW RUN 2020

JAN 31—FEB 2, 2020
HIDDEN VALLEY
RESORT

HUNTSVILLE, ONTARIO

Being diagnosed with Breast Cancer can create significant financial challenges over the course of treatment. Often these expenses are not covered by private or public medical insurance. The Kelly Shires Breast Cancer Foundation helps with the financial aspects of living with cancer so the patient can better focus on their personal well being.

21 PLUS YEARS OF FUN!

They say time flies when you are having fun! As always we fill this weekend with as much fun as possible. Mark your calendars and join us as we celebrate our 21st annual event!

At the Snow Run weekend we kick back, have some fun and raise much needed funds for a very worthwhile cause. Our host resort is the beautiful Hidden Valley Resort in Huntsville where we have exclusive use for the weekend!

Your weekend starts Friday evening with a buffet dinner, games, prizes and fun. A great time to meet your team mates and catch up with old friends.

After a hearty breakfast buffet on Saturday, enjoy a 100-160 km long snowmobile ride (weather depending) through the spectacular trails in Muskoka. Participants chose their team based on their comfort & riding ability. Riders leave the resort at staggered intervals commencing at 9:00 am Saturday, enjoy lunch along the way and return to the resort mid-to-late afternoon (depending on trail conditions). Shake out that helmet head and get ready for our dinner gala where you will find out who has raised the most pledges, who will wear the Miss. HAP sash and how much money was raised. Evening is completed with a fantastic silent auction and dance the evening away with our DJ spinning tunes!
