523 Elizabeth St, Suite 203
Midland, ON L4R 2A2

Thank you for referring a potential Corporate Sponsor to the Kelly Shires Breast Cancer Foundation.

Your support of our charity is greatly appreciated by all of the volunteers who make this event happen, and most importantly, by those actively battling breast cancer across Canada and in need of financial assistance.

Our main event, the Kelly Shires Snow Run for Fun, raises a significant amount of money. However, as the charity has become better known through the years, demand for assistance has been growing. We currently help approximately 500 Breast Cancer patients per year and that number is increasing every year.

We want to ensure that those in need of assistance are provided with financial support in a timely manner, allowing them to better focus on their personal health.

While we have a wonderful, generous core group of loyal and dedicated personal and Corporate Sponsors, our financial resources are stretched beyond our current demand, and we are looking to actively recruit additional Corporate Sponsors.

We know that there are more companies out there that would see the value in supporting our charity. It may be your own company, a company that you deal with or simply a business or organization that you believe would be a good fit with the Kelly Shires Foundation.

If you are aware of such a company, we need to hear from you! Please take a moment to complete and return the information below.
