

FOR IMMEDIATE RELEASE

OVER \$410,000 RAISED FOR THOSE BATTLING BREAST CANCER

Huntsville, Ontario - February 28, 2021 – This year the 22nd annual Snow Run organized a virtual event for the whole month of February and was a great success! Over \$410,000.00 was raised in pledges and corporate sponsorship, with more expected to come in this week. The team is very proud of the \$7.4 million that they have raised over the past 22 years. The group embraced the vibe of the pandemic and themed the event as a Mask-her-aid.

Kelly Shires lost her long battle with breast cancer in October 2004 but her memory & spirit were kept strong this past weekend. The event kicked off on Saturday, February 6th with a virtual opening ceremony. Taking advantage of the virtual aspect provided the opportunity for anyone to participate, anywhere, completing an activity of their choice throughout the month of February. The first ever virtual Pink Family Reunion was hosted on February 12th via zoom hosted by Carey Moran from Pure Country 106.

The group saw people participate in various activities throughout the month of February ranging from the classic Snowmobile ride to snowshoeing and skating. The options were endless for participation and social distancing observed throughout the month. This year the covid-19 global pandemic put a halt on any in person group events however the enthusiasm of the Pink Family powered through to celebrate this year with true Kelly style!

The event closed on Saturday, February 27th with a virtual take on the annual Gala and was hosted by Beverly Thomson, awarded journalist and breast cancer warrior. The evening consisted of special performances by Canadian Country star Jason McCoy and the talented Donna Huber (Shania Twin) followed by awards, speeches, virtual silent auction, and a zoom Mask-her-aid after party.
